P.I.E.
 (Parenting Isn't Easy)

A Piece of P.I.E.

What a great couple of weeks! It's been exciting to see our church go to 3 worship services over the past 2 weeks and I hope you've been able to join us in the excitement.

During the month of October, our church is "Investing in Parents". We want to help parents be the best that they can be in raising their children. I believe that Parents are the greatest spiritual influence in the life of a teenager and we want to help make sure that stays true. Proverbs 22:6 says, "Train a child in the way he should go, and when he is old he will not turn from it." Research shows that after high school graduation, many students are falling away from church.

My desire is to see our students fall deeper in love with Christ rather than fall away from church. Join us during this month as we grow together!!
 May God bless!!
